A warm, engaging guide to networkingBy SFRunnerJohn distills the essence of successful networking into a warm, methodical, and fun guide for harnessing this powerful tool for seeking new opportunities and beyond. His use of personal experiences combined with outlining a framework for how to approach networking is both entertaining and informative. As much a personal skills enhancement lesson as a job search how-to guide, the New Approach to Networking for Executive Job Changes offers wonderful insights and tools for growing and maintaining professional (and personal) connections.0 of 0 people found the following review helpful.

By John Davies I hope that some day this is back in print but I know there are used copies in great condition out there. Whether you are in transition or not, it is always important to continue building and growing your network. If you can't find my book anywhere, a great alternative is "The Start-up of You" by Reid Hoffman and Ben Casnocha.

The \$100,000+ Career unlocks the power of networking to help build your executive career and land the job you want. It's not enough to find an executive job - this guide will show you how to land a job you love and are well-compensated for. By following Davies's method, you'll discover which industry, job type, location, company size, salary and other factors are right for you. And the best part about it is that you'll have other people helping you land that dream job, and advancing your career. The \$100,000+ Career is more than just a job search technique - it is a brand new way to build your career at the top of the ladder.
