It was a fun look at some higher end/classier items that you can invest in, that I never thought about, but can definitely sit on for 15 or so years for appreciation. Good job, I am now searching for more books like this, but this is the only one I can find.0 of 0 people found the following review helpful. '101 Extraordinary Investments' is a fascinating exploration of curious and unusual ways to make money. Inspired by the great adventurers of the Victorian era, who hunted for everything from orchids to shrunken heads, this book keeps the spirit alive with its own modern twist on collectables. A full range of subjects is covered, from superhero comics, toy robots and magic tricks to cigars, celebrity hair, feudal titles and pedigree pigs; plus a fresh look at classic alternatives such as wine, stamps, cigarette cards and books. We share these investment secrets for the very first time, along with other exciting discoveries for the modern fortune-hunter. Each topic is covered in a comprehensive and entertaining manner, providing subject insight as well as practical investment guidance including cash returns, contact information and essential trading tips. Investing need not be a bore, nor a gamble made by overpaid men in pinstriped suits. Join us and celebrate the derring-do spirit of adventure, as we share in 101 fun and fascinating money-making opportunities.

About the Author Toby Walne is an award-winning national journalist who specialises in alternative investments. A writer for the Mail on Sunday he also regularly contributes to other newspapers and is a magazine columnist. Toby was first kicked out the office more than a decade ago and told not to return until he had a story. He has rarely been back in since. In search of adventure and stories Toby has motorcycled from John O'Groats to Lands End, visited the war zones of Afghanistan and Iraq, climbed up Mount Kenya and taken numerous trains through Swindon and Doncaster.
