Ron Fry : 101 Great Answers to the Toughest Interview Questions before purchasing it in order to gage whether or not it would be worth my time, and all praised 101 Great Answers to the Toughest Interview Questions:

5 of 5 people found the following review helpful. Don't rely solely on this bookBy smumfreeIt is okay for general interview questions, but one needs to study the job description and requirements and create questions and answers. I learned this the hard way. I practiced all the general questions, but almost missed my opportunity because I did not create my own questions answers based upon the job description, requirements and skills.3 of 3 people found the following review helpful. Excellent book for helping prepare yourself for an upcoming job ...By TheresaExcellent

book for helping prepare yourself for an upcoming job interview in any field. Many thought-provoking questions you may not have anticipated. Definite must-read! 1 of 1 people found the following review helpful. Generally an informative work good for preparing your mindset for interviews. By Henrik Utvik Does exactly what it says on the tin. Generally an informative work good for preparing your mindset for interviews. Can't say that all proposed answers resonated with me (as one could perhaps expect). Does not apply for all industries and some of the content might be outdated in my (albeit rather limited) experience. Although this can also be cultural differences (I'm not an American like the author). The main value I found in this book was to gain awareness about different types of interview questions, and start to prepare my own thought process and answers.

No matter how good you look, how much research you've done, or how perfectly your qualifications match the job description, if you're not prepared with great answers to the toughest interview questions, you won't get the job. *101 Great Answers to the Toughest Interview Questions* is a manual that will help you home in on exactly what the interviewer is trying to learn . . . with each and every question he or she asks. If you've never done well on interviews, never even been on a job interview, or just want to make sure a lousy interview doesn't cost you a job you really want, Ron Fry will help you get that job—as he has helped literally millions of people nationwide and throughout the world. This brand-new twenty-fifth anniversary edition of *101 Great Answers to the Toughest Interview Questions* is thoroughly updated to reflect the realities of today's job market. Whatever your age and experience, whether you are seeking your very first job or finally breaking into the executive office, this is the one book you need to get that job.

"Ron Fry's guide to interviewing can go a long way toward helping you analyze your interviewing skills, walking the line between overpreparation and underpreparation in a time when the interviews are tougher than ever." --Joyce Lain Kennedy
About the Author Ron Fry is a nationally known proponent for the improvement of public education and an advocate for parents and students playing an active role in strengthening personal education programs. In addition to being the author of the best selling *How to Study* series, which has sold over two million copies to date, Fry has written more than 30 different books with the intention of providing resources to assist in education reform to realize his ultimate goal of achieving optimum student success.
