0 of 0 people found the following review helpful. Should be required reading every 10 yearsBy WTCExcellent book. Perfect size - says what it needs to say in a succinct, direct, easy to understand manner. The perfect book for someone

starting out in the business world or for the person who needs to be reminded what is important and what really is not important after years in business. It is also a book that I have recommended to people just starting their business as a SCORE mentor. If you are struggling with what to do next in your career read this book. If you want to just get more out of your job and your life read this book. I can not recommended it highly enough I would like to give it 10 stars!1 of 1 people found the following review helpful. The author does a great job of blending real life examples and applications of ...By ryanThis book should be required reading for anyone heading into the business world! The author does a great job of blending real life examples and applications of ways to own your future. Not only is it a very informative book but also an entertaining one as well.

Life-Impacting Ways to Create Success and Enjoyment in Your Business and Personal life - How to Take Control as Opposed to Just Taking What Comes! The 15 Ways in this book will help you: Take collaboration to another level; improve work/life integration; make your business and personal world a better place; take the "job" out of work.

About the AuthorMichael Khouris's business career spans over 40 years, managing in many industries that include working regional operations through mergers, acquisitions, restructuring, and growth transitions. He is the Chief Operating Officer/Executive VP for a Michigan commercial real-estate company, and President of MDK Business Solutions. He previously served as a broadcast television ABC Affiliate and NBC Affiliate VP/General Manager and Cellular One Wireless General Manager. He delivers professional development and motivational presentations to local, regional, and national companies on how to take control in business and in life.
