I love the ideas in this book and purchased for a client who will benefit from examples for her team. They are easy to use and yet still make an impact. What more could you want?
3 of 4 people found the following review helpful. Great book for management that's always on the go
By Dee
This is a fun and idea packed book for the busy manager. When employees start feeling blah! I bust out the book and do an excorsize and before you know it there are smiles and the staff are reenergised. This book has become one of my favorites. It's a easy read and the instructions given for the activities are easy to understand. Glad I made the purchase. Price can't be beat either.

Today more than ever, businesses need fresh ideas to nurture talent and retain employees—enter *1,501 Ways to Reward Employees*, thoroughly revised, updated, and even more chockablock with ideas than *1,001 Ways to Reward Employees*, the groundbreaking national bestseller. Adapted to meet the needs of an evolving workplace—especially to deal creatively with virtual employees, freelancers and permalancers, international colleagues, and the rule-bending expectations of millennials—its 1,501 low-and no-cost rewards and strategies are drawn from thousands of companies across the globe. Ideas range from the informal (Wells Fargo's thank-you e-cards) and the offbeat (JS Communications two free "I Don't Want to Get Out of Bed" Days) to the formal (J. C. Penney's new managers in a moving ceremony) to the totally nutty (the legendary honor of having your office "sodded"—literally, grassed over—at Microsoft). For bosses, managers, entrepreneurs, small-business owners, consultants—anyone who's responsible for working successfully in an ever-tougher economy—this is the rewards bible.

"This book gives readers ideas on how to inspire their employees to deliver the best performance every day—for little or no cost." —Tony Hsieh, CEO, Zappos.com
