Gerben Van den Berg, Paul Pietersma : 25 Need-To-Know Management Models before purchasing it in order to gauge whether or not it would be worth my time, and all praised 25 Need-To-Know Management Models:

Includes 10 handy dos and don'ts of using management models; Want new ways of looking at old problems; Need a range of management decision-making tools at your fingertips; Only want what you need to know, rather than reams of theory? With indispensable models that will help

you make the most out of every business opportunity, this book tells you what you need to know, fast.

From the Back Cover Includes 10 handy do's and don'ts of using management models
Want new ways of looking at old problems? Need a range of decision-making tools at your fingertips? Only want what you need to know, rather than reams of theory? With indispensable models that will help you make the most out of every business opportunity, this book tells you what you need to know, fast. This book is a must read. A great reference collection for both practitioners and academics.
THEO CAMPS, Professor at Tilburg University
About the Author Gerben van de Berg is a management consultant at Berenschot. He is a co-author of the book Excellence = optimization and innovation and (co)author of several articles on strategic management.
