HortonIf you are like me and don't come from an environment of performance evaluation, it can come as a real shock, especially since they want more than just excellent, good, fair and poor. This allows you to develop phrases in keeping with the questions asked and provides a variety of responses so the reviews don't all sound the same. The phrases are meant more for sales and marketing types and not medical or technical, but they can be adapted to work.2 of 2 people found the following review helpful.
