Excellent bookBy CustomerIf you are at a point where you don't know what to do in your career or job options this book is perfect. If you are multitalented and having a hard time choosing a direction, this book is perfect. Dan Miller has done an excellent job of getting the audience to think about who they are and finding a job based on those findings. I have been purchasing this book for friends and family as well.9 of 9 people found the following review helpful. Knowing MyselfBy E. B. EpiscopoThis interactive study helps a person to write down things about themselves that they may not have ever thought about. It is very fulfilling and rewarding to look into yourself and find out that, sometimes, you are very different from what you first thought. I recommend this study and the book or CD to anyone who really wants to know more about themselves.

"48 Days to the Work You Love is a strategic program designed to help you move ahead in your career with the confidence, boldness, and enthusiasm that only comes from having clear personal understanding and a plan of action," says author Dan Miller. "In this interactive study you have the opportunity to explore the changes in today's job market, understand yourself, go through the traditional steps of finding a career, and also look at the expanding area of nontraditional work. Answer each question honestly, and it will guide you to clear patterns that identify the right plan of action for you."\* The next-step companion to the popular 48 Days to the Work You Love trade book.\* Special features include: The 48 Day Schedule, "Creating a Life Plan".
