**Malcolm Pryor : 7 Charting Tools for Spread Betting: A practical guide to making money from spread betting with technical analysis** before purchasing it in order to gage whether or not it would be worth my time, and all praised 7 Charting Tools for Spread Betting: A practical guide to making money from spread betting with technical analysis:

Following on from the success of his first two books, 'The Financial Spread Betting Handbook' and 'Winning Spread

Betting Strategies', Malcolm Pryor now provides the spread bettor with a detailed understanding of 7 key charting tools. Each tool has a role to play in the success of the spread bettor, and the tools can be used in combination to construct powerful trading strategies. This new book is written in a punchy and economical style, presenting much of its teaching through carefully chosen examples of charts. The focus is on practical technical analysis techniques which are directly relevant to spread bettors and traders.

About the Author Malcolm Pryor is an experienced spread bettor and a qualified technical analyst. He writes articles on trading and technical analysis and speaks at investment conferences. He runs seminars on trading and spread betting. His website and contact details may be found at [www.sparkdales.co.uk](http://www.sparkdales.co.uk).
