Margaret Lomas : A Pocket Guide to Investing in Positive Cash Flow Property before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Pocket Guide to Investing in Positive Cash Flow Property:

4 of 8 people found the following review helpful. I can't believe I paid \$26.95 for this in a proper bookshop! By William Purcell A poorly written exploitative book of negligible value to any experienced investor. Dangerous for inexperienced investors. It is very thin on content and contains only one item of useful advice: If you hang on to

property long enough, then you will experience the joy of a property boom. Der. The tedious cross promotions to other self authored publications, and to the authors own investment business grate and grate and grate and grate and grate. And then grate a bit more. This book should be investigated by consumer affairs and/or tax authorities. Caveat Emptor.

For the first time ever, Margaret Lomas has combined all her positive cash flow property strategies into a step-by-step manual to guide new investors through the processes of establishing a property portfolio. Inside you will learn: Where to look for positive cash flow property
