So many people today feel "called" to find more in their lives beyond the usual definitions of success, to live lives of purpose and meaning. Answering Your Call is aimed at people who know they are on the planet for a reason and want

more than encouragement—they want to get precise about it. *Answering Your Call* provides exercises that appeal to our practical side as well as inspirational examples from history and literature. It is a spiritual how-to book, not on how to pray or meditate, but how to discern what it is that the world needs you to do.
