**From Asian Development Bank : ASEAN+3 Bond Market Guide 2016: Japan (ASEAN+3 Bond Market Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised ASEAN+3 Bond Market Guide 2016: Japan (ASEAN+3 Bond Market Guides):

ASEAN+3 Bond Market Guide is a comprehensive explanation of the region's bond markets. It provides various information such as the history, legal and regulatory framework, specific characteristics of the market, trading and transaction including settlement systems, and other relevant information. Bond Market Guide 2016 for Japan is an outcome of the strong support and kind contributions of ASEAN+3 Bond Market Forum members and experts, particularly from Japan. The report should be recognized as a collective good to support bond market development

among ASEAN+3 members.
