**From Palgrave Macmillan : Asset Pricing, Real Estate and Public Finance over the Crisis (Palgrave Macmillan Studies in Banking and Financial Institutions)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Asset Pricing, Real Estate and Public Finance over the Crisis (Palgrave Macmillan

Studies in Banking and Financial Institutions):

The current financial crisis started from the US real estate market and after, though the increase of risk premium requested by investors and due to the lack of liquidity of all financial markets, it became a world financial crisis. A detailed analysis during the crisis focuses attention on asset management, the real estate and public sector.
