From Asian Development Bank : Bangladesh Quarterly Economic Update: June 2014 (Quarterly Economic Updates) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bangladesh Quarterly Economic Update: June 2014 (Quarterly Economic Updates):

The Bangladesh Quarterly Economic Update (QEU) has been produced by the Bangladesh Resident Mission of the Asian Development Bank since March 2001. The QEU provides information and analysis on Bangladesh's macroeconomic and sector developments, key development challenges, and policy and institutional reforms. It has

wide readership in government, academia, development partners, private sector, and civil society.
