work in a financial related field but not as a financial expert so it was a good way to understand some basic principle. Very nice. For the price, you can't really go wrong. 2 of 2 people found the following review helpful. Great Educational Book By Le Kevin Smith This book has been very informative, I would recommend it for anyone how wants a good understanding the how and why of finance. If you are looking for detailed accounting and higher levels of accounting techniques this is NOT the book for you. 2 of 2 people found the following review helpful. Loved it! All important topics covered and explained with ... By Vikram J Excellent written book! Loved it! All important topics covered and explained with great detail in very simple layman terms. Thanks!
