Do not trade the market before you have read both of these, or risk losing everything. Dr. Van Tharp helps readers come up w a trading plan that suits their unique needs while minimizing risk. However, he pays just as much attention to the psychology of trading and how individual psychology will hurt/hinder trading. As I mentioned, I would say these are a must for anyone who wants to invest either long or short term.

TWO E-BOOKS IN ONE Trade Your Way to Financial Freedom Van Tharp's proven 14 step model for developing a profitable trading system-as well as his latest methods and techniques for winning in any market. Trade Your Way to Financial Freedom includes information on secular bull and bear markets and macro economics; as well as ways to think about and evaluate trading systems as a set of R multiples (reward to risk). Tharp also elucidates the concepts of expectancy and position sizing-the most important, yet least understood, aspects of profitable trading. Super Trader, Expanded Edition Super Trader provides a time-tested strategy for creating the conditions that allow you to reach levels of trading success you never thought possible. Providing expert insight into both trading practices and psychology, Tharp teaches you how to steadily cut losses short and meet your investment goals through the use of

position sizing strategies--the keys to steady profitability. Tharp offers concepts and tactics designed to help you:
