Ric Edelman : Financial Security in Troubled Times: What You Need to Do Now before purchasing it in order to gage whether or not it would be worth my time, and all praised Financial Security in Troubled Times: What You Need to Do Now:

0 of 0 people found the following review helpful. I like Ric Edleman as he doesn't follow the conventional Financial PlannersBy TerryI like his philosophy that we should get as large Mortgage as possible. I've seen my parents and relatives who have paid off their Houses but are now asset rich but income poor. So they are struggling on the small

retirement income.0 of 0 people found the following review helpful. NowBy Miguel Angel HernandezWell I expect some thing better,I have the book; The new rules of Money and order Ordinary people,extraordinary wealth,and I like them very much,and I want something more up to date.thanks.0 of 0 people found the following review helpful. Outdated by now!By quellRelatively outdated. Done in the shadow of the September 11, 2001 attack. Much better later books. Good for general advice for everyone.

In troubled times, it is only natural to worry about our financial security. That's why now is the time to act -- to preserve your financial well-being, and that of your family, and to ensure your peace of mind.Financial expert and best-selling author Ric Edelman has written this guide to help all of us quickly safeguard our economic lives. Edelman's eight-point action plan -- actions that you can take right now -- will help you protect yourself and your family, as well as your money, your income, your job, your home, your possessions, and your business. You'll learn how to manage the powerful emotions that can cloud your financial judgment, and find the guidelines you need to make the right investment decisions now that will secure your investments today and prepare you for the future.And because it is more important than ever that we be generous in our charitable giving, you will learn the best ways to give, so you can lend support to all our neighbors who are in such dire need of our help.Financial Security in Troubled Times will help all of us face the future, knowing that our financial house is in order and that we are ready to meet the challenges ahead.
