Shamsuddin Tareq, Andrew Berg, Victor Duarte Lledo : Fiscal Policy in Sub-Saharan Africa in Response to the Impact of the Global Crisis before purchasing it in order to gage whether or not it would be worth my time, and all praised Fiscal Policy in Sub-Saharan Africa in Response to the Impact of the Global Crisis:

The global financial crisis poses significant challenges to fiscal policies in Sub-Saharan African countries. This paper provides an overview of the macroeconomic situation of Sub-Saharan African countries at the onset of the crisis and how the crisis is affecting the region's economies. The paper also highlights the main channels through which the crisis is likely to affect the fiscal position of these countries and sets out general conditions that need to be considered

in setting fiscal policies in Sub-Saharan African countries.
