Isabel Studer-Noguez : Ford and the Global Strategies of Multinationals: The North American Auto Industry (Routledge Studies in International Business and the World Economy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ford and the Global Strategies of Multinationals: The North American Auto Industry (Routledge Studies in International Business and the World Economy):

Today, the Multinational Enterprise (MNE) is seen as a leading agent in the process of globalization. As they adopt

global strategies, MNE's are seen to be creating stronger, deeper and more lasting links amongst countries, thus shifting the balance of power inexorably in their favour, to the detriment of the state. This book interrogates this idea by undertaking a historical analysis of the global strategies of Ford.
