John Dunning, Rajneesh Narula : Foreign Direct Investment and Governments: Catalysts for economic restructuring (Nissan Institute/Routledge Japanese Studies) before purchasing it in order to gage whether or not it would be worth my time, and all praised Foreign Direct Investment and Governments: Catalysts for economic restructuring (Nissan Institute/Routledge Japanese Studies):

This new paperback edition of Foreign Direct Investment and Governments examines the dynamic relationship

between foreign direct investment, governments and economic development. The book includes: * an investigation of the catalytic role played by the governments and multinationals in determining national advantages * eleven in-depth national studies of the UK, USA, Japan, New Zealand, India, Mexico, Spain, Sweden, China, Indonesia and Taiwan * analysis of all aspects of the investment development path Foreign Direct Investment and Governments is an excellent source book for students of international business.
