Kathrin Koster : International Project Management before purchasing it in order to gauge whether or not it would be worth my time, and all praised International Project Management:

Electronic Inspection Copy available for instructors here
With project management becoming an increasingly global endeavour, a comprehensive and international student text that reflects this reality is essential. International Project Management does just that, systematically linking the key elements of cross-cultural management and the particularities of an international context, with the tools and techniques of project management. Key features include:- A wide variety of examples and illustrations, including an in-depth, end-of-chapter case study with case questions;- Student exercises and review questions;- Detailed further reading- The full support of a Companion Website, featuring a Teacher's Manual
