Joseph Mark Munoz : International Social Entrepreneurship: Pathways to Personal and Corporate Impact before purchasing it in order to gage whether or not it would be worth my time, and all praised International Social Entrepreneurship: Pathways to Personal and Corporate Impact:

The book is attractive to the target readers for the following reasons : 1) there has been a growing interest in the topic

of social entrepreneurship and yet there are limited academic materials, this book will offer a concise, straight-forward compilation of theories, concepts, and cases, 2) with globalization, students and executives have been empowered to make positive impact around the world; this book will identify and discuss viable strategies, 3) in today's business environment, many students and executives have been responsive to global issues, this book will provide fresh insights on citizenship in a global environment.
