Dianne Lowther : Introducing Neurolinguistic Programming (NLP) for Work: A Practical Guide (Introducing...) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Introducing Neurolinguistic Programming (NLP) for Work: A Practical Guide (Introducing...):

Neurolinguistic Programming is about helping you to identify and develop the patterns of thought and behaviour

which are most beneficial to you. Introducing NLP for Work teaches you how to build a successful rapport with your colleagues, enabling you to deal effectively with any problems and master any situation.

About the Author Dianne Lowther has been a Master Trainer of NLP (the top NLP qualification) since 2009. She has been teaching NLP for 20 years. In 2009 she won a National Training Award for her work with Schaeffler Ltd, a leading UK precision engineering company. See Dianne talking about NLP here:
