Anthony Crescenzi : Investing From the Top Down: A Macro Approach to Capital Markets (Personal Finance Investment) before purchasing it in order to gage whether or not it would be worth my time, and all praised Investing From the Top Down: A Macro Approach to Capital Markets (Personal Finance Investment):

0 of 0 people found the following review helpful. But very interesting tools and nice key takeaways closing chapters. Lots of space (time) spent on criticizing opposite investment strategies, i.e. Value Investing. But very interesting tools and nice key takeaways closing chapters. 1 of 3 people found the following review helpful. A Guide From the Master By Brent B67 An outstanding macro economic book from a master in the craft. Anthony Crescenzi was responsible for revising Stigum's Money Market and carries his level of dedication and expertise to this work. How much better I would've been had I been able to study a book like this 5 or 10 years ago and seen the coming crash that began in 2007. One issue that keeps it from being 5 stars. The Golden Compass list includes several indicators that are not available without subscription. That has frustrated me as I have tried to accumulate as much data from the Golden Compass indicators he recommends and chart and analyze them to where they can be integrated into my investing. It would be nice to acknowledge this and suggest possible alternate sources. The text and discussion leading up to the Golden Compass chapter(s) is outstanding and very well written and easy to read. 4 of 9 people found the following review helpful. Follow the recommendations and YOU WILL MAKE MONEY. By AL All smart investors know that 1) Wall street is infested with SHARKS and 2) Most corporations are being run by a bunch of CROOKS. With that reality in mind, it is then a fact that long term buy and hold is dead and only a FOOLS play. The only game in town is hit and run and this book shows you how to identify the trends that can make you big money. GOOD BOOK

Crescenzi makes frequent appearances on CNBC, Bloomberg, and NBC's "Wall Street Journal Report with Maria Bartiromo"; and he has acted as advisor to members of the White House. The author is a featured columnist for thestreet.com; Real Money; and has a strong professional following. The book covers all major instruments and investment choices.

About the Author Anthony Crescenzi, chief bond strategist at Miller Tabak Co., is the author of The Strategic Bond Investor and Stigum's Money Market, 4th Edition. He frequently appears on business and finance programs, including NBC's "Wall Street Journal Report"; CNBC, and Bloomberg. He is a contributor to realmoney.com.
