Jay P. DeCima : Investing in Fixer-Uppers: A Complete Guide to Buying Low, Fixing Smart, Adding Value, and Selling (or Renting) High before purchasing it in order to gauge whether or not it would be worth my time, and all praised Investing in Fixer-Uppers: A Complete Guide to Buying Low, Fixing Smart, Adding Value, and Selling (or Renting) High:

2 of 2 people found the following review helpful. Valuable information for improving your properties and the quality

of your tenantsBy Small town investorI thought Jay did a good job of explaining the art of improving your properties and your tenants. It's a natural fit when you begin to upgrade your real estate, the poorer quality tenants will weed themselves out and will be replaced by tenants who will take care of the property and pay on time. I would have liked to see more details on making simple improvements that always pay off. Easy to read, easy to follow.0 of 0 people found the following review helpful. Great advise, clear solid advise for rental incomeBy Faith A. BazleyGreat book!! Jay is straightforward and to the point, offering solid detailed how to advise with case scenarios that he actually did. This book is almost strictly on buying to fix up and RENT. Don't get this if you're looking for a quick house flip (its not about that, so disregard negative reviews that criticize this). He emphasizes cash flow for his method which is why he centers on rentals for the best investment0 of 0 people found the following review helpful. Another great book by Jay DeCimaBy SonyaAnother great book by Jay DeCima. If you need information today for getting a run down property fixed and rented, this is your book.

Expert money-making advice from the nation's leading fixer-upper guru "Excellent book on the fixer strategy."--John T. Reed, bestselling real estate author "Filled with practical examples of how to profit from rundown fixer-upper properties."--Robert J. Bruss, syndicated real estate columnist Nobody wants to buy an ugly, decrepit, rundown house-- which is exactly why they provide real estate investors with the best bargains! In Investing in Fixer-Uppers, nationally known real estate guru Jay DeCima reveals how investors can add thousands of dollars to the value of an "ugly" house. He discusses how to substitute personal skills for traditional down payments, strategies to profit without waiting for appreciation, and dozens of other value-adding tips.
