**Stephen Lofthouse : Investment Management (Frontiers in Finance Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Investment Management (Frontiers in Finance Series):

0 of 0 people found the following review helpful. Excellent bookBy A CustomerThere are lot of book for beginners and lot of academical studies book. This book is excellent representation of academical and empirical data for knowledgeable investor.

Fully updated to cover changing investment techniques and markets Completely revised and updated, this new edition provides a solid introduction to investment techniques and up-to-date financial theory and has been expanded to

include discussions of derivatives, bonds and fixed interest, equity investment, as well as private client accounts. Investment Management provides a thorough grounding in current investment techniques in a form uniquely suited to the perspective of the fund manager and analyst. Readers will find enlightening and practical coverage of such topics as behavioral finance, assessing investment systems, creative accounting and bankruptcy, neglected and new stocks, arbitrage pricing theory, forecasting the economy, business cycle, valuation, emerging markets, and passive investment management. Stephen Lofthouse's career spanned both the academic and commercial investment worlds. He is a former Director of James Capel stockbrokers, now part of HSBC group, and Executive Chairman of James Capel FundManagers Ltd and James Capel Unit Trust Management Ltd.

From the Back Cover This new edition of Stephen Lofthouse's Equity Investment Management has been expanded and comprehensively updated to cover new instruments, changing techniques and recent market developments. The first edition of this book was described by the Investors Chronicle as a 'valuable addition to the library of investment writing', while Professional Investor thought it 'easy to digest and extremely practical'. His second book was described by The Independent as 'excellent', 'comprehensive and clear-headed', included in The Times' list of 'essential festive financial reading', and deemed 'very welcome' by the Financial Times, being realistic and offering 'practical advice ...[and] sound thinking.' About the Author STEPHEN LOFTHOUSE is a former Executive Chairman of James Capel Fund Managers Ltd. and James Capel Unit Trust Management Ltd. as well as a director of stockbrokers James Capel Co. Ltd., part of the HSBC group. His career also included lecturing at the Manchester Business School.
