Investor's Business Daily : Investor's Business Daily Guide to the Markets before purchasing it in order to gauge whether or not it would be worth my time, and all praised Investor's Business Daily Guide to the Markets:

2 of 2 people found the following review helpful. Excellent for beginners
By Steve Burns
This is one of the best books on the market for beginners. It contains all things that a beginner needs to know about what a stock is, how the stock market operates, capitalism, how free markets operate and much more. It explains how to really invest and trade for profit using valuations, technical stock movements and emotional factors. It also expands into the futures and bond markets and explains options and selling short. I found the chapter that tracked all the greatest performing sectors for each year over the last century very informative. This book is just packed full of information that you will learn from and be able to profit from in the markets. The only reason I did not give it five stars was due to it needing an update, it is a 10 year old book and I would like to see the last ten years added in to an updated version of this book. Also check out Jason Kelly's "Neatest little guide to stock market investing" for another great book for beginners.

By Rich of San Diego
Hakuna Matata = There are no problems (Simba in The Lion King).
Excellent - Merchandise arrived as described, excellent condition, prompt and well packaged, great

quality, value and dependable service - I'm a happy camper: Thanks, and may the Force be with you! 0 of 0 people found the following review helpful. Good book. Recommend it for anyone interested in learning ...By Gabriel D. Velasco
Good book. Recommend it for anyone interested in learning the basics of economy. Friendly read, not too technical unlike school textbooks on economy and the market.

From the Foreword by Charles Schwab "The Investor's Business Daily Guide to the Markets is. . .clear, concise, innovative, and authoritative, giving you the information you need to make important investment decisions with confidence. Whether you're a new or experienced investor, you'll learn a great deal from this book. What a pleasure it is to discover a book that tells it like it is with no hidden agendas. It's sure to pay you dividends and capital gains again and again in the years ahead." "Before investing in the markets, you should invest in this book." --Alice Kane Executive Vice President, New York Life Insurance Company "Investor's Business Daily Guide to the Markets is the quintessential guide for anyone interested in gaining insight and helpful information about the financial markets." -- Louis G. Navellier, President, Navellier Associates Inc., Editor, MPT Review. "A great book for people who want to understand the markets. Don't miss this comprehensive roundup--the mutual funds chapter alone is worth the price of the book." --James M. Benham, Chairman of the Board, Benham Funds. "Developing an investment portfolio is like building a house: you must start with a solid foundation. This book gives you the investment foundation you need. Buy it before you put another dollar in stocks, bonds, or mutual funds."--Ted Allrich, author, The Online Investor "The On-line Investor" (America Online). "Bill O'Neil, for years the unheralded hero of institutional investors worldwide, began offering his expertise to the individual investor over ten years ago through Investor's Business Daily newspaper. Now his Investor's Business Daily Guide to the Markets takes the next step for investors by putting basic financial information into meaningful terms and useful strategies. This is a 'must read' for all investors --big and small." -- Richard W. Perkins, CFA, President and Portfolio Manager, Perkins Capital Management, Inc.
