Pekka Korhonen : Japan and Asia-Pacific Integration: Pacific Romances 1968-1996 (Sheffield Centre for Japanese Studies/Routledge Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Japan and Asia-Pacific Integration: Pacific Romances 1968-1996 (Sheffield Centre for Japanese Studies/Routledge Series):

Japan and Asia Pacific Integration is a study of regional integration in the greater Pacific area during 1968-1996. It examines the political rationale of such international organisations as the Asia Pacific Economic Co-operation (APEC)

forum, and the East Asian Economic Caucus (EAEC). There is a focus on Japanese conceptions of regionalism and integration, but the attitudes of other countries such as the United States, Australia, Malaysia and China are also explored.
