T. Kurihara : Japanese Corporate Transition in Time and Space before purchasing it in order to gauge whether or not it would be worth my time, and all praised Japanese Corporate Transition in Time and Space:

This book is an ethnography of a Japanese white-collar workplace in Osaka carried out during the late 1990s. It explores the relevance of social models to the analysis of social relations and women's status in the workplace by examining concepts of time, ritual, and space via the theory of practice.

'There is no doubt that Kurihara has made an important contribution to the continuing discussion on changing Japanese workplaces.' Oxford Journals
About the Author TOMOKO KURIHARA is a social anthropologist. She has held postdoctoral fellowships at Cambridge University, Department of Geography (2004) and Faculty of Social and Political Sciences (2005-6). She was an Economic and Social Research Council Postdoctoral Fellow at the London School of Economics, Department of Sociology (2002-3). This is her first monograph.
