James M. Vardaman, Michiko Vardaman : Japanese Etiquette Today: A Guide to Business Social Customs
before purchasing it in order to gage whether or not it would be worth my time, and all praised Japanese Etiquette Today: A Guide to Business Social Customs:

0 of 0 people found the following review helpful. Worth a LookBy CustomerI liked it, however, this book is really geared for someone who is LIVING in Japan. Many of the suggestions can only be practiced by materials purchased in Japan. But had many suggestions I can apply to my Japanese friends in American.0 of 0 people found the following review helpful. I love itBy AnsisGreat exploration supported with clear and concise explanations.Understanding the customs helps to build bridges that language cannot.I highly recommend this book.9 of 12 people found the following review helpful. A useful traveling companionBy A CustomerI took this book with me on a recent trip to Japan and found it both endlessly fascinating and surprizingly useful in understanding the little dance our hosts did when making introductions, the subtleties of negotiations about seating and a host of other behaviors that were curious to American eyes.

A concise guide for business people or tourists, Japanese Etiquette Today contains vital information for navigating tricky Japanese social interactions.Japan today "looks" more and more Western, principles governing social and business relations become harder to see. Most foreigners know that Japanese etiquette differs from that of other countries, but few people know the extent of the differences. It is this diversity that first attracted the authors of Japanese Etiquette Today, a book written to make working and living in Japan enjoyable and rewarding experiences.The authors look at a variety of formal and informal occasions governed by subtle rules—visiting a Japanese office and home, giving and returning gifts, attending weddings and funerals, and much more. The result is an informal overview of Japanese society and a manual of practical advice on getting a long in that society. Complete with essential vocabulary and phrases, this handy guidebook explains what to do and perhaps more important what not to do, what to say, what to wear, indeed, whatever you need to observe the complex rules of modern Japanese etiquette.
