Joyce Lain Kennedy : Job Interviews For Dummies before purchasing it in order to gage whether or not it would be worth my time, and all praised Job Interviews For Dummies:

0 of 0 people found the following review helpful. Five StarsBy Markgood book0 of 0 people found the following review helpful. ... is the book to help you through that - easy to read very common sense no strange semi crazy ...By Matthew Gif you are looking for a job - or first time going into a interview - this is the book to help you through that - easy to read very common sense no strange semi crazy ideas (I had another book that told me to scream into a mirror before going into a interview to let my rage out. Needless to say it got returned) its exactly what you need for a crash course in interviews0 of 0 people found the following review helpful. Got this for my teenage daughter to use with a ...By Judy GoensGot this for my teenage daughter to use with a school assignment. I think that its been very helpful to her because she is now at the age that she needs to start thinking about getting a job. Hope this will give her some insight into the interview process and what she needs to know to enter into the business world.

Deliver a show-stopping interview performance Does the thought of interviewing for a new job send shivers down

your spine? It doesn't have to! Whether you're searching for your first job, changing careers, or looking for advancement in your current line of work, *Job Interviews For Dummies* shows you how to use your skills and experiences to your advantage and land that job. Following a half-decade characterized by an explosion of economic crises, global expansion, and technological innovation in the job market, today's job seekers vie for employment in a tough era of new realities where few have gone before. In addition to covering how to prepare for an interview, this updated edition explores the new realities of the job market with scenarios that you can expect to encounter, an updated sample question and answer section, coverage of how you can harness social media in your job search, information on preparing for a Web-based interview, and the best ways to keep your credibility when applying for several jobs at once. Out-prepare the competition Overcome your fear of interviewing Ask smart questions about the job and the employer Give the best answers to make-or-break questions Fit your qualifications to the job's requirements Dress like an insider Survive personality tests Interview across cultures Evaluate a job offer Negotiate a better salary Whether you're fresh from the classroom, a prime-timer over 50, or somewhere in between, *Job Interviews For Dummies* quickly gets you up to speed on the skills and tools you need to land the job you want.
