I didn't find there to be much substance in the entire book. I could have just stuck with what I found on the internet for free and saved myself some money.0 of 1 people found the following review helpful. Excellent Book!By BobbieEven though this book came from England and some of the phrasings are slightly different, this is an excellent job interview book. The questions are explained

and then answered. It's a great resource.

Job Interviews: Top Answers to Tough Questions is your indispensable toolkit, giving you the best answers for the interview room.
