Heather Krasna : Jobs That Matter before purchasing it in order to gage whether or not it would be worth my time, and all praised Jobs That Matter:

4 of 4 people found the following review helpful. Career Planning in a Tight Job MarketBy Paul R. AbramsonHeather Krasna has a great deal of experience in offering advice on finding public sector jobs, and is now the Director of Career Services at the University of Washington's Evans School of Public Affairs in Seattle. The book is a lively read, because of the large number of personal profiles, based upon Krasna's interviews. But most important for job seekers it has a great deal of practical advice with a lot of specific information.0 of 0 people found the following review helpful. Five StarsBy Paul Colsona book chock-full of useful information about careers and finding the job you like.1 of 1

people found the following review helpful. A real life learning experience
By Vonnie I learned a lot about myself by completing the exercises in this book. Great insight that will help in the job search

Empowers students, job seekers, and career changers to pinpoint the right public service careers for their interests and abilities. Readers will learn how to find great jobs in the local, state, and federal government, as well as in nonprofit or corporate organizations serving the public good.

Finally, something really useful for non-profit jobs. I wish I'd written this book, but know I couldn't have done such a good job. --Martin Yate CPC, NY Times bestseller, and author of Knock em Dead The Ultimate Job Search Guide I officially pronounce this book AWESOME. All the tricks I wish I had when entering public service. Heather is the tour guide du jour in the world of public service. A must read! --Steve Ressler, Founder of Govloop.com With a range of in-depth looks at career fields, profiles of current professionals, and useful resources, "Jobs That Matter" is full of tools and tips. --Steve Joiner, Author, The Idealist Guide to Nonprofit Careers for Sector Switchers Jobs That Matter: Find a Stable, Fulfilling Career in Public Service is a must-have resource for those pursuing a career in public service. --Antoinette A. Samuel, MPA CAE, Executive Director, American Society for Public Administration Reading this book is a smart step on the journey to both finding a fulfilling job and serving the nation. --Max Stier, CEO and President, Partnership for Public Service About the Author Heather Krasna, MS, is Director of Career Services for the University of Washington's Evans School of Public Affairs. She has more than 10 years of experience as a career advisor and employer relations specialist in colleges and universities, and has helped more than 7,000 job seekers to find jobs and internships. She has a Master of Science in Nonprofit Management from New School University and a Certificate in Adult Career Planning and Development from NYU, and has served on several nonprofit boards of directors. Heather recently wrote and won the Partnership for Public Service's Call to Serve grant, which is given to only five universities in the United States each year for the purpose of helping colleges promote federal government employment. She blogs weekly for the prominent government social networking site GovLoop.
