1 of 1 people found the following review helpful. Practical, Relevant and RealisticBy James ClarkI have quite

enjoyed this book in my new position. There are work pages and reflective exercises so that the principles become a part of how you think as a leader. I like it so much, I am recommending it as part of the curriculum for a collaboration between our business and educational leadership seminar. It is practical, relevant and realistic for today's leaders. 2 of 2 people found the following review helpful. An important second edition By Joe T. The second edition of "Just Promoted" by the Doctors Betof is an extraordinarily valuable treatment of how to enable the successful passage of a leader into a new role. Newly appointed leaders face a perilous challenge of getting it right- both for the organization's success and their own career enhancement. This book is loaded with both the theoretical rationale of what to address as a new leader and more importantly how to do it. It turns out that the topics and tips in the book are not only relevant for newly appointed leaders but are extremely useful for leaders at all stages of their career. If you are an executive coach and long time professional in the field of Leadership Development like myself, you will find this book to be an important refresher with much new content of the original 1992 edition which sparked the focus and research on this topic over the ensuing years. If you are a newly appointed leader, make sure you absorb the lessons therein. Joseph R. Toto Principal JRT Consulting, LLC

Hit the ground running with hundreds of practical, proven suggestions, examples, and tools to help you navigate the challenges of the first critical year in your new leadership role. "Straightforward advice that can be immediately understood and acted upon. I wish this book had been published three years ago, when I was planning my transition to The Conference Board." -- Jon Spector, CEO, The Conference Board "A must-read for anyone with ambition." -- Judith von Seldeneck, Chairman and CEO, Diversified Search Odgers Berndtson Just Promoted! gives you the tools, knowledge, and confidence to take that next big step in your career. The most complete guide of its kind, this book is filled with essential knowledge--practical advice and proven strategies, handy checklists, tips from the pros, and revealing real-world stories. From moving in to making an impact to navigating changes in your personal life, Just Promoted! guides you day by day through the entire first year. Updated with critical new information, the second edition includes: Customizable tools for your leadership transition process Examples of leadership transitions in a wide array of business sectors Sections on how to assemble and manage a strong team and methods for handling change management issues Potentially career-damaging pitfalls to avoid--including those involving your family, health, and time
