Great read for the familyBy LoriEasy, fun read. I like Tracy's "say it like it is" attitude. Good thought provoking material, and I even assigned it to both of my teenagers to read!0 of 0 people found the following review helpful. Five StarsBy Chelsey SeiboldLove this book. So concise. So motivational.

What makes some people successful in life? In Just Shut Up and Do It, bestselling author and success expert Brian Tracy shares a simple, practical, proven seven-part method that will help you accomplish more in the next few months

and years than most people accomplish in a lifetime. In its simplest terms, your ability to get started and keep going until you complete those things that are most important to you and to your company is the key to winning, to happiness, to a great reputation, and to success in life. There are no limits to what you can achieve.
