Jonathan Sutherland, Diane Canwell : Key Concepts in International Business (Palgrave Key Concepts) before purchasing it in order to gage whether or not it would be worth my time, and all praised Key Concepts in International Business (Palgrave Key Concepts):

Key Concepts in International Business is one of a range of comprehensive glossaries with entries arranged

alphabetically for easy reference. All major concepts, terms, theories and theorists are incorporated and cross-referenced. Additional reading and Internet research opportunities are identified. More complex terminology is made clearer with numerous diagrams and illustrations. With over 500 key terms defined, the book represents a comprehensive must-have reference for anyone studying a business-related course or those simply wishing to understand what international business is all about. It will be especially useful as a revision aid.
