Janice M. Guerriero, Robert G. Allen : Key Questions in Career Counseling: Techniques To Deliver Effective Career Counseling Services before purchasing it in order to gauge whether or not it would be worth my time, and all praised Key Questions in Career Counseling: Techniques To Deliver Effective Career Counseling Services:

This book's purpose is to provide a tool for career services personnel to deliver more effective, consistent career counseling. Its primary objective is to present a career counseling process model, including sequential stages and steps, along with a method (the Key Questions Technique) for successfully implementing the model. It is intended to serve as the bridge between the theoretical and the applied worlds of career counseling, and it is hoped that this book will increase the standards of professionalism and objectivity for the many diverse practitioners who currently conduct career counseling in the workplace.
