Martin Yate : Knock 'em Dead 2017: The Ultimate Job Search Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Knock 'em Dead 2017: The Ultimate Job Search Guide:

2 of 2 people found the following review helpful. Perfect book for any job seekers, experienced or entry levelBy MattGreat book! I enjoyed the fact that Mr. Yate shared points that are sometimes overlooked in similar books. Things like appearance, silly questions, interview venue. I found most chapters offered something that applied directly to me. He also did a good job applying some humor throughout the book. While the book may look like a textbook, it did not read like one. Very well put together and informative, thank you. Also, a side note, I have been asked "why is a manhole round?" Thanks for including it!2 of 2 people found the following review helpful. The Most Effective Tool To Find Your Next CareerBy GlennI've been using the Knock em Dead book for years during career changes. Martin Yate provides the tools necessary to successfully navigate the complex maze of writing an effective resume, job search, interview preparation, interview techniques, and ultimately landing a great career. Martin's extensive background and expertise is laid out clearly and concisely within each page and provides the reader a detailed roadmap on how to successfully outmaneuver other candidates and win their next great career!I have recommended this book to friends, who in turn, have used it to successfully find their next career. I highly recommend this book to anyone who is looking for the tools necessary to find their next career.0 of 0 people found the following review helpful. Worth A

Repeat Purchase For New Editions! By All have been in the workforce for 21 years. Before I interviewed for my first job, someone suggested I read this book. The book was very helpful and enlightening. I got the first job I interviewed for. Throughout the years, I have interviewed with three other companies. Before each interview cycle I have repurchased and reread the book. I have received job offers from each company. This book will tell you what to say and what not to say. Interviewing is a bit of a game and this book tells you how to play it.

Take control of your job search--with proven strategies for success! New York Times bestseller Martin Yate has helped millions of people turn their lives around by finding great jobs and managing their career progress. Whether you're looking for a first job, re-entering the market, or planning a career change, Yate's unique Target Job Deconstruction method provides you with a roadmap to professional success utilizing the latest job-search strategies for the digital age.

"No job hunter can afford to bypass the Knock 'em Dead books." - Wall Street Journal
"The best book on job hunting." - Financial Times
"Classic winner...one of the most valuable career books on the market." - LA Times
