5 of 5 people found the following review helpful. The Best Career Correspondence Book Ever! By Sharla Taylor Whenever I am at a loss for words, I turn to Martin Yate's Knock 'Em Dead Job Search Letter Templates. There is a sample letter for just about every situation imaginable. I'm an old fan. I'm happy to replace my circa 1987 paperback with a new, updated Kindle edition. Cover letters aren't obsolete. They have just morphed into e-notes. Job seekers can share information about relocation, employment gaps, reasons for career change, etc. in a cover letter ... things that are not appropriate content for a resume or CV. The book has sample letters in response to job postings, referral letters, thank-you-for-the-interview letters, resignation letters and acceptance letters. It's a virtual alphabet soup of proven career correspondence that works. Knock 'Em Dead books are a valued part of my library. 3 of 3 people

found the following review helpful. Very Resourceful!By CindyThis book is a definite asset to a job seeker at any stage. As a fresh college graduate, I needed some help getting my feet in the door with interviews. I did not want to be that person who sends out tons of cover letters and resumes and never gets called in for an interview. Using Yates's advice, techniques, and tricks, I was able to produce five star cover letters that landed me several big job interviews at reputable and prestige companies. One major thing I learned was to tailor each cover letter to the specific job and how to sell myself the best fit for the position by relaying my special skills and tasks pertinent to the position. I highly recommend this book, it is a sure investment you wont regret.1 of 1 people found the following review helpful. Great Guide For The Job Search MarketBy Melissa RobinsonI am in love with the Knock'em Dead Job Search Letter Templates. It is filled with a ton of useful information. Anytime I use it I learn something new. I am a freelancer, and I work in many areas. The advice on tailoring your cover letter to meet you job criteria has been invaluable. I have tripled my jobs since I started tailoring my cover letters to meet the jobs I am applying for.This book offer job search letter templates of all kinds such as professional networking and LinkedIn connection request letters, face-to-face interview follow-up letters, negotiation, rejection, reconnection letters, and that is just to name a few. The templates are in MS Word which is plus for me. I feel like this book is great for newbies to the work force. I also think those who are already professional looking to make a change could pick up some useful tips and tricks here. I definitely recommend.

A cover letter helps your resume get read with serious intent, and follow-up letters help demonstrate your intelligent enthusiasm for the job and can add just that touch of thoughtful professionalism that lands job offers. Unique in the world of job search books, Knock 'em Dead Job Search Letters Templates, is the complete latest 11th edition of Knock Em Dead Cover Letters, plus 125 templates for cover letters and job search email / letters all ready-to-use in MS Word.

"Check out "Knock em Dead Resumes" or "Knock em Dead Cover Letters." They offer some great ideas for what you should include and how to highlight your strengths."
