Ken Blanchard, Patricia Zigarmi, Drea Zigarmi : Leadership and the One Minute Manager Updated Ed: Increasing Effectiveness Through Situational Leadership II before purchasing it in order to gage whether or not it would be worth my time, and all praised Leadership and the One Minute Manager Updated Ed: Increasing Effectiveness Through Situational Leadership II:

0 of 0 people found the following review helpful. Required readingBy S. RayballI have read the original One Minute

Manager. It's not required to have read that first, but it helps. The D1, S1 stuff got a little "schooling" made me feel I had a test coming so I better know all the definitions. This was required reading for me, am I glad I read it? Yes. Do I recommend it? Not really, there are better and more engaging communication style leadership books out there that speak to the same things. Crucial Conversations Start With Why Make Your Bed Lencioni books 13 of 14 people found the following review helpful. If you've never read a leadership book before, get this one. By Leo Castillo Read this when I was a college kid and I enjoyed how practical it was. Now that I work in organizational development, I was amazed at how true and how empowering it was seeing it again with years of experience later. Great primer on how to lead others. If you've never read a leadership book before, get this one. It reads fast, it's easy to learn, and easy to implement. 1 of 1 people found the following review helpful. So Simple By Ginger B The process of becoming a time efficient manager is defined so simply. It's so simple it's frustrating that I've been missing this book for so long. Invest your coffee change for this quick enjoyable read. I'll be going back to this book for years to come.
