This Harvard Business Review collection features the best in leadership transitions from celebrated author and advisor

Michael D. Watkins. Watkins, who has worked for decades guiding senior leaders into new roles to help them and their organizations succeed, is the author of the international bestseller *The First 90 Days*. With more than 400,000 copies sold worldwide and published in more than 25 languages, the book has become the standard reference for leaders in transition. In addition to the full digital edition (ebook) of *The First 90 Days*, this collection includes digital editions of Watkins's other popular works: *Your Next Move*, which guides professionals through the most common career transitions; *Shaping the Game*, on how to lead effective negotiations; and his 2012 Harvard Business Review article, "How Managers Become Leaders." Watkins, whose ideas have guided some of the world's best leaders through successful transitions, is the chairman of leadership development consultancy Genesis Advisers. Drawing on the perfect combination of research and hands-on experience, he has spent the last two decades working with leaders—both corporate and public—as they transition to new roles, negotiate the future of their organizations, and craft their legacy as leaders. He was previously a professor at the Kennedy School of Government at Harvard, Harvard Business School, INSEAD in France, and IMD in Switzerland.
