In the groundbreaking national bestseller *The Monk Who Sold His Ferrari*, internationally respected author and speaker Robin S. Sharma showed us a powerful way to dramatically improve the quality of our personal and professional lives based on timeless success principles from both the East and the West. In doing so, he helped many thousands and sparked a phenomenon. Now, in *Leadership Wisdom*, his much-awaited follow-up, Sharma has a new mission: to help you become the kind of visionary leader you deserve to be and transform your business into an organization that thrives in this age of dizzying change. With deep insight and compelling examples, this truly innovative thinker shares an ageless yet eminently practical blueprint for effective leadership that is certain to manifest the highest human gifts of the people you lead and unlock loyalty, commitment and creativity in the process. Written as an easy to read and highly entertaining fable, *Leadership Wisdom* is the powerful story of Julian Mantle, a hard-driving corporate player who, after suffering a massive heart attack one Monday morning, decides to embark on an odyssey to the Himalayas in search of the great truths for effective leadership in business and in life. In a tale that will change the way you think about leadership forever, Julian discovers eight timeless rituals practiced by every truly visionary leader, eight rituals that you, as a leader seeking to excel in these information-crazed times, can easily use to energize your team and elevate your entire organization to world-class levels of productivity, performance and passion. *Leadership Wisdom* is a unique treasure of a book that will awaken the fullness of your leadership potential, transform your company and deeply enrich the quality of your professional as well as your personal life.
