From Palgrave Macmillan : The Reform of Health Care: Shaping, Adapting and Resisting Policy Developments (Organizational Behaviour in Health Care) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Reform of Health Care: Shaping, Adapting and Resisting Policy Developments

(Organizational Behaviour in Health Care):

This book examines how healthcare organisations shape, adapt and resist developments in healthcare policy and practice. This is an international text bringing together contributions from around the globe and covers a wide range of different discussions in relation to the policy/practice gap.

About the Author HELEN DICKINSON Senior Lecturer at the Health Services Management Centre, University of Birmingham, UK, and a senior researcher for the Third Sector Research Centre, UK. She has research interests in collaborative working, leadership and priority setting, and decision making and has authored, co-authored or edited eight books and over thirty peer reviewed journal articles in these areas. RUSSELL MANNION Professor of Health Systems at the Health Services Management Centre, University of Birmingham, UK. He also holds visiting professorships at the universities of Oslo, Norway, and New South Wales, Australia.
