**Stephen Denning : The Secret Language of Leadership: How Leaders Inspire Action Through Narrative (J-B US non-Franchise Leadership)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secret Language of Leadership: How Leaders Inspire Action Through Narrative (J-B US non-Franchise Leadership):

1 of 1 people found the following review helpful. Six stars!!!By Dane K.This book is so good I regularly buy it for

people I think could use it to help in their advocacy for the environment0 of 0 people found the following review helpful. Surprisingly obvious. Prime for spontaneity. It almost seems ...By Emily SchaeferSurprisingly obvious. Prime for spontaneity. It almost seems to obvious but it was actually helpful to me in a practical application even though I only bought the book for a class.0 of 0 people found the following review helpful. Four StarsBy Om Hookshelpful

The book introduces the concept of narrative intelligencemdash;an ability to understand and act and react agilely in the quicksilver world of interacting narratives. It shows why this is key to the central task of leadership, what its dimensions are, and how you can measure it. The book's lucid explanations, vivid examples and practical tips are essential reading for CEOs, managers, change agents, marketers, salespersons, brand managers, politicians, teachers, parentsmdash;anyone who is setting out to change the world.

Named one of the "Best Business Books of the Year" (2007) by Financial Times: "Leaders don't just execute strategy, they must inspire others to follow...This book explains how." (Financial Times, December 8, 2007) "Denning cohesively links the importance of narrative intelligence and telling stories to leadership success." (Library Journal, December 2007) "...if there's one person who knows more than anyone else about the power of business narrative it's...Steve Denning." (MyCustomer.com, Friday 7th December 2007) "This book's lucid explanations, vivid examples and practical tips are essential reading..." (PublicNet.co.uk, Tuesday 4th December 2007) "...an array of glowing testimonials from truly famous people. Definitely one for those interested in transformational change." (Strategic Communication Management, December 2007) "hellip;an educational and informative book that can be effortlessly read from cover to cover." (Inside Knowledge, September 2007) "If business leaders do not immediately grasp the vital insights offered by this book, both they and their organisations are doomed."--Stefan Stern, Financial Times "Steve Denning is the Warren Buffett of business communication. He sees things others don't and is able to explain them so the rest of us can understand."--Chip Heath, co-author of Made to Stick, Professor of Organizational Behavior, Graduate School of Business, Stanford University "I highly recommend you get it today and read it tonight. Tomorrow will be an entirely different kind of day if you do."--Jim Kouzes, Co-author of the best-selling, The Leadership Challenge, and A Leader's Legacy "The Secret Language of Leadership has been instrumental in helping me overcome the challenges of rapid growth and intense competition. It's all about the story."--Reed Hastings, CEO, Netflix Inc. "I don't think I have ever read a more compelling preface. And best of all, the advice Denning gives to the reader about speaking and writing is exemplified in the way he has written this impressive book."--James MacGregor Burns, distinguished senior scholar, James MacGregor Burns Academy of Leadership, University of Maryland, and author of Leadership "The Secret Language of Leadership is not only the best analysis I have seen of how and why leaders succeed or fail, it's highly readable, as well as downright practical. It should be mandatory reading for anyone interested in engaging a company with big ideas who understands that leaders live and die by the quality of what they say."--Richard Stone, story analytics master, i.d.e.a.sFrom the Inside FlapThe Secret Language of Leadership "STEVE DENNING is the Warren Buffett of business communication. He sees things others don't and is able to explain them so the rest of us can understand."mdash;Chip Heath, coauthor, Made to Stick, and professor of organizational behavior, Graduate School of Business, Stanford University "I highly recommend you get this book today and read it tonight. Tomorrow will be an entirely different kind of day if you do."mdash;Jim Kouzes, coauthor of the best-selling The Leadership Challenge and A Leader's Legacy How do leaders connect and engage with their audiences? In this sequel to The Leader's Guide to Storytelling, business narrative expert Steve Denning explains why traditional approaches to leadership communication don't work and reveals the hidden patterns that effective leaders use to spark change. The book shows how anyone can inspire enduring enthusiasm for a cause, even in skeptical, cynical, or even hostile audiences. The book introduces the concept of narrative intelligencemdash;an ability to understand and act and react agilely in the quicksilver world of interacting narratives. It shows why this ability is key to the central task of leadership, what its dimensions are, and how you can measure it. The book's lucid explanations, vivid examples, and practical tips are essential reading for CEOs, managers, change agents, marketers, salespersons, brand managers, politicians, teachers, parentsmdash;anyone who is setting out to change the world.
