Two StarsBy Kenneth EricksonKinda boring and not that insightful0 of 0 people found the following review helpful. Very informative, using real life stories to demonstrate the ...By James R FrancesconiVery informative, using real life stories to demonstrate the concepts of servant leadership.

A Practical Guide to Using the Principles of Servant Leadership Leadership is a calling. And servant leadership—the idea that managing with respect, honesty, love, and spirituality empowers employees—helps individuals answer that calling. Bestselling author and former Fortune 500 executive James A. Autry reveals the servant leader's tools, a set of skills and ideals that will transform the way business is done. It helps leaders nurture the needs and goals of those who look to them for leadership. The result is a more productive, successful, and happier organization, and a more meaningful life for the leader. Autry reveals how to remain true to the servant leadership model when handling day-to-day and long-term management situations, including how to: • Provide guidance during conflict and crisis • Assure your continued growth and progress as a leader • Train managers in the principles of servant leadership • Transform a company with morale problems into a great place to work Practiced by one-third of the companies on Fortune's "100 Best Companies to Work For" list, servant leadership is a thriving philosophy. Ultimately, Autry explores how it can be a valuable, refreshing, and rewarding approach to leading others in business life.

"This is an awesome book. James Autry's gift is that he brings lofty ideals down to earth with general illustrations that make them easy to understand and apply. I highly recommend it!" -Jack Canfield, coauthor, *Chicken Soup for the Soul at Work*. "The Servant Leader illuminates a clear path to personal, spiritual, and material actualization, which, in return, creates an infinite circle of prosperity." -Tom Gould, retired chairman and CEO, Younkers, Inc. "Quite simply, this is an extraordinary book. It is a classic already and the first truly great leadership book of the new century." -John Noble, director, Greenleaf Center, UK "The Servant Leader is really the best field guide I've seen for helping managers transform themselves into true leaders." -Doug Greene, CEO, New Hope Group "Servant leadership is a bold step toward a necessary redefinition of business as an arena of caring and not a mere instrument for producing profit." -Sam Keen, author, *Hymns to an Unknown God* and *Fire in the Belly* "When I first read Jim's work, I was thrilled. Finally, someone had clearly and concisely articulated these principles in a way that people can quickly adopt into their lives." —from the foreword by Howard Behar, retired president, Starbucks "The Servant Leader describes the kind of leadership upon which Starbucks Coffee Company has been built and is a concept that is closely aligned with our mission and guiding principles." —Howard Schultz, chairman, Starbucks From the Inside Flap Servant leadership is leadership the right way? a better way of being a manager and part of organizational life. Servant leadership will produce fulfilling emotional, psychological, and spiritual rewards for everyone involved. It will enhance productivity, encourage creativity, and benefit the bottom line. In *The Servant Leader*, top-selling author, former Fortune 500 executive, and business consultant James A. Autry shows you how to remain true to the servant leadership model when handling day-to-day and long-term management situations. You'll learn how to manage with respect and honesty and how to empower employees to achieve new levels of satisfaction. Plus, you'll learn why servant leadership can be the guiding light to becoming the kind of leader and person you want to be. You'll discover how to: • Maintain your spiritual focus while dealing with such challenging issues as firing, harassment, substance abuse, and performance problems • Provide guidance during conflict and crisis • Assure your continued growth and progress as a leader • Train managers in the principles of servant leadership • Transform a company with morale problems into a great place to work • And more Real leadership begins on the inside with your own commitment to inspire the best in others. But it's one thing to make the commitment; it's quite another to develop the skills to make that happen. If you are an executive, a manager, or someone who aspires to be in a leadership role, you will find the servant leadership philosophy to be a valuable, refreshing, and rewarding approach to leading others and to business life. "This is an awesome book. James Autry's gift is that he brings lofty ideals down to earth with general illustrations that make them easy to understand and apply. I highly recommend it!" -Jack Canfield, coauthor, *Chicken Soup for the Soul at Work* "The Servant Leader illuminates a clear path to personal, spiritual, and material actualization, which, in return, creates an infinite circle of prosperity." -Tom Gould, retired chairman and CEO, Younkers, Inc.
