**David Thompson : The Small Print of Success: The Little Details That Will Make A Big Difference to Your Career** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Small Print of Success: The Little Details That Will Make A Big Difference to Your Career:

The devil is in the detail when looking for greater success in the workplace. How to watch the eye contact patterns in meetings to understand who the key players are; what to consider before you meet a crucial contact for the first time; interpreting the dynamics in meetings; how to avoid becoming a victim of politics at work ndash; these are some of the specifics you need to learn in order to get ahead in your career. This insightful, valuable and practical book lets readers in on the finer details that make all the difference in their quest to achieve greater career success. Success at work is rarely due to hard work alone. This book teaches you the unspoken, and to most, unknown, secrets of what it takes to get ahead: the small print of success.

About the Author David Thompson is a people and organisation development expert and consultant. He is the author of bestselling *The Magic Blackberry* (translated into 7 languages) and *Career Helium*.
