**Joseacute; Luis Malo de Molina, Pablo Martiacute;n-Acentilde;a : The Spanish Financial System: Growth and Development Since 1900** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Spanish Financial System: Growth and Development Since 1900:

The booknbsp;analyses the Spanish financial system from the turn of the last century to the present day and the economic, social and political backdrop to this history. The result is a consummate survey of historical developments leading right up to today's key issues and challenges, and to what the future may hold.
