From Palgrave Macmillan : The True Value of CSR: Corporate Identity and Stakeholder Perceptions before purchasing it in order to gage whether or not it would be worth my time, and all praised The True Value of CSR: Corporate Identity and Stakeholder Perceptions:

By considering the importance of Corporate Social Responsibility (CSR) as a business paradigm but also as a growing scepticism about its outcomes, *The True Value of CSR* answers questions about true value behind this concept, motivations of firms embedding CSR in their core strategies and a capacity of CSR to make a real difference on the market.
