Suhayl Abidi, Manoj Joshi : The VUCA Company before purchasing it in order to gauge whether or not it would be worth my time, and all praised The VUCA Company:

How Indian companies have faced Volatility, Uncertainty, Complexity Ambiguity Failure in itself is not a catastrophe, but failure to learn from failure, definitely is. It is not enough to merely train leaders in core competencies, without identifying the key factors that inhibit their use. Rather, it is resilience and adaptability that are vital in order to

distinguish potential leaders from mediocre managers. Authors Suhayl Abidi and Dr Manoj Joshi bring to readers The VUCA Company (Volatility, Uncertainty, Complexity and Ambiguity), the first of its kind in India, on original case studies of 12 Indian corporate failures, since the time of economic liberalization. Each study has been the result of meticulous research over the years and provides insights into behavioural and systemic aspects of failures and under-performance. Through these engaging corporate stories, VUCA discusses how individuals and organizations can avoid, minimize and recover from failures. SUHAYL ABIDI is a practitioner of Organizational Learning Knowledge Management.
