**John Wiley, Sons : The Wiley Trading Guide, Volume II: 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wiley Trading Guide, Volume II: 2:

0 of 0 people found the following review helpful. Five StarsBy caussade steacute;phanevery useful for active traders

Some of the most successful traders in the U.S., Australia, and Asia share their secrets with you Following on the heels of the bestselling Volume I, The Wiley Trading Guide, Volume II brings together an elite selection of writings from many of the most successful traders in the world today. These market acers share their secrets on everything from arbitrage to precious metals trading, options and commodity futures to technical analysis. Featuring completely new material from each contributor, this book offers intermediate to experienced traders a veritable gold mine of indispensable information on how to make a killing in the financial markets in the wake of the global financial crisis. Hot topics covered include automated forex trading, why silver will leave gold in the dust, technical analysis of the energy and commodity futures markets, and market conscious trading New writings by trading luminaries based in the U.S., Australia and Asia, including Roger Kinsky, Colin Nicholson, Jeff Cartridge, Ashley Jessen, Ramon Barros, Jacob Bernstein, Chris Kacher, Gil Morales, and Kathy Lien

From the Back CoverWiley is the leading global publisher of trading books. With critically acclaimed and best-selling titles written by some of the world's top traders, our books provide all the information a trader needs to survive and prosper in any market. With the first volume of The Wiley Trading Guide we brought together some of the finest traders in the world for the first time. Following the success of this book, we've done it again. The Wiley Trading

Guide Volume II brings together 17 of the most skilled and experienced traders in the world, to share their expert knowledge over a wide range of topics. The combined wisdom in this volume will set readers on the path to sustained profitability and trading success. In all markets, traders require expert knowledge and guidance from those who have been there before and succeeded. This volume covers creating a trading plan, listening to what the market is telling you, refining your entry and exit techniques, taking your lead from company directors, profiting in the oil and silver markets, automating your trading, increasing profits through good position sizing, and much more. This authoritative guide will help you take your trading to the next level.

About the Author  
About John Wiley Sons  
John Wiley Sons, Inc., has been in the business of publishing for more than 200 years. From its origin as a small print shop opened by Charles Wiley in New York City in 1807, the company has become a leading provider of must-have content and services to customers worldwide. Wiley publishes books to serve every level of trader, from introductory and reference materials for the new trader, to titles showcasing the latest research and techniques for established traders. Regardless of the financial market or instrument you are trading, Wiley has a book to help you on your journey. Visit our website at [www.wiley.com](http://www.wiley.com).
